We are passionate about creating delicious things for you to eat and drink, and we love trying new things. We'd love to hear any suggestions you may have.

The Building's History

We are housed in the old Bickels Chip factory where they did the warehousing and distribution. Over a century ago this site was home to the Globe and Anchor Tavern. More recently REO Oldsmobile Farm Trucks were assembled where Twisted Sister is and sold where Mill 72 Cafe is now.

Weekly Happenings...

We have fun events happening all the time! The best way to stay informed of these is to follow us on our Social Media.
